

Nashoba Associated Boards of Health

Serving the towns of Ashburnham, Ashby, Ayer, Berlin, Bolton, Boxborough, Dunstable, Groton, Harvard, Lancaster, Littleton, Lunenburg, Pepperell, Shirley, Stow, Townsend, and the community of Devens, in partnership with your local elected Board of Health.

The Environmental Division enforces State Sanitary and Environmental Codes, Massachusetts General Laws, and local regulations. The staff of this Division work directly with the local elected Boards of Health in the sixteen towns of Nashoba's region, and with the general public to ensure environmental and public health concerns are addressed. They consult with, advise and carry out the day-to-day work on behalf of the local Boards of Health. Additionally, the staff is available in the Town Hall of member communities and at the office in Ayer to assist the public with questions or concerns they may have.
